

Morningstar Learning Center Admission and Enrollment Priorities

At Morningstar (MLC), we do everything we can to accommodate all families who need our services. Growing demand and staff shortages in our area have resulted in a waitlist at MLC ever since the program started. To best serve our community, MLC abides by the following protocol to determine enrollment decisions:

1. Staff children have priority over non-staff children.
2. Currently enrolled students have priority over new students.
3. Siblings of currently enrolled students have priority over other new students.
4. Locally employed families have priority over non-locally employed families.
5. Year-round residents have priority over seasonal residents.
6. If families meet the same criteria in all of the above categories, priority will be given to families based on the date they have completed both our MLC Student Enrollment Application and paid our \$75 non-refundable Application Fee.
7. Upon being offered a spot for enrollment, families will have one week to confirm their intention to enroll before the spot is offered to someone else. Families will also have to submit complete enrollment paperwork and pay the tuition deposit by the deadline (shared by MLC at the time of offering the spot) in order to secure their enrollment. Not completing the enrollment paperwork and paying the deposit prior to the deadline may result in the spot being offered to another family. Any family who is offered an enrollment spot and declines twice, will be bumped down one priority level.

If you are interested in applying to MLC and being added to our waitlist, please contact info@mlcbigsky.org for next steps.
